Dear Steve,

On behalf of the WIAA Executive Board and staff, it is an honor to express our appreciation for the effort and time you gave to this association with your outstanding presentations at the 2002 Coaches School. It is evident that the importance of your message came across by evaluation statements such as: *"Great ideas for fundraising"* *"Well prepared-good information"* *"This was informative, I felt I received a lot of good ideas"* *"Received some good tips"*

We admire you for the time and dedication you gave to making this conference an outstanding educational event. Your assistance in providing quality education to the coaches from around the state is a bonus to all of us, and we appreciate your continued efforts. Both the verbal and written comments were highly complimentary and appreciative of your sessions. I look forward to your continued participation in the WIAA Coaches School. The 7th annual conference is scheduled for August 1-2, 2003, at the Yakima Convention Center. I hope you are available to again "be on staff."
